Deputy Director for Administration

SUBJECT: Request for Appeal to the 1984 Authorization
Conference

REFERENCE: Memo dtd 16 Jun 83 to DDs fr Compt, same subj
(COMPT 83-857)

1. Forwarded herewith, per reference, are our suggested appeals regarding the manpower reduction and the eight percent cut in ADP contractual services recommended by HPSCI.

2. While we are not in a position to "appeal" the ☐ position increase for the Office of Security recommended by the SSCI, this augmentation represents a significant step toward solving our current shortfall in security positions. As you are aware, we have requested additional security positions in our FY 1985 program. If we were to obtain these ☐ positions by virtue of the SSCI's initiative, we would be able to accelerate the enhancement of our overall security program.
